SCOPE OF LICENSE:

STATE GENERAL CONTRACTOR: means a contractor whose services are unlimited as to the type of work which he or she may do.

STATE BUILDING CONTRACTOR: means a contractor whose services are limited to the construction of commercial buildings and single-dwelling or multiple-dwelling residential buildings. These buildings cannot exceed three stories in height. A building contractor may also construct the "accessory use structures" in connection with these buildings.

STATE RESIDENTIAL CONTRACTOR: means a contractor whose services are limited to construction, remodeling, repair, or improvement of one-family, two-family, or three-family residences which are not more than two stories and the "accessory use structures" in connection with these buildings. An accessory use structure would be a garage, guest house, garden shed, or other outbuilding.
