## **CONSTRUCTION INDUSTRY LICENSING BOARD EXAMINATIONS AT A GLANCE**

These charts provide you with information about each of the construction industry licensure examinations. In order to obtain a license you must pass all of the required examinations for your specialty. Division I contractors (General, Building, and Residential) must pass three examinations: Business & Finance, Contract Administration, and Project Management. Division II contractors (all other specialties) must pass two examinations: Business and Finance and General Trade Knowledge.

The paper/pencil examinations are currently administered in one day in one location: Orlando. The day is composed of a 4 hour and 30 minute AM session and a 4 hour and 30 minute PM session with reporting times at 7:00 AM and 1:00 PM. If the examination contains pilot test questions additional time will be added to each session. The administrations normally take place on a Tuesday or Wednesday of the following months: February, April, June, August, October, and December. Computer Based Testing (CBT) examinations are offered daily.
